Where might you see trafficking in your day to day work?

a. Corporate Office

b. Check-in

c. Security Lines

d. Concessions

e. Customs

f. Baggage claim

g. Ground transportation

h. Hotel

i. Other Airport properties

j. Property of a supplier or vendor

In Khurshida's story, what were some indicators of human trafficking?

- a. Not allowed to make eye contact
- b. Not allowed to communicate with others
- c. Distress
- d. Fear
- e. Forced to work
- f. Moving to new locations based on promises that sound untrue or unusual
- g. Tricked or did not receive pay they were promised
- h. Injury
- i. Unusual power dynamic
- j. Religious affiliation

What indicators of human trafficking did April and her colleagues notice?

- a. Not communicating with others
- b. Not making eye contact
- c. Control
- d. Surveillance
- e. Race
- f. Sexual Orientation

April's lead flight attendant discouraged April from responding to the incident. What did April do correctly?

- a. She observed the situation discreetly.
- b. She noticed indicators that were behavior-based.
- c. She asked a colleague if she saw anything unusual.
- d. She did not confront the trafficker.
- e. She report what she and her colleague saw through appropriate channels.

What steps can you take if you suspect human trafficking and the victim is not present?

- a. Report it to your manager
- b. Report it to human resources
- c. Call 911 in an emergency

Scenario

You are in a bathroom at the airport and you notice someone with bruises and cuts on their face. The person will not make eye contact with you.

What do you do?
