Letter to the Membership – August 30, 2015

Fellow WAMA Members:

I must say that this is a post that I never expected to write. I have been offered and have accepted the position of AOPA NW Regional Manager effective September 14, 2015. I have therefore submitted my resignation as your Executive Director to WAMA President Kandace Harvey and the Board of Directors. My last date with WAMA will be September 13, 2015.

AOPA has kindly granted my request to assist WAMA in the weeks ahead in the transition to a new Executive Director. The Operations Manual and most of the Open Action Items are on track to be completed prior to my departure, leaving my successor as clean an initial slate as possible. I will participate in my last WAMA Board Meeting on September 18.

As I have told many, serving as WAMA's Executive Director is the best part-time job in America. This has been one of the most rewarding and treasured positions I have had throughout my professional career. The support of the Officers, the Board, and the membership has been truly outstanding.

Unlike many career path changes, the good news is that I will not be far away. I look forward to supporting WAMA and the Washington State Aviation Alliance as well as maintaining my professional relationship with you in the future. Only the vantage point will be different.

I will ensure you have my new contact information once it has been established. As always, please let me know how I can be of assistance. Thank you one and all. It has been a pleasure...

Best always,

Warren Hendrickson
