

## Washington State Community Airports Association conference Oct. 24-25

Oso Landslide disaster and the aviation response, FAA Safety Team accident reviews, agriculture drones, pilot panels, and more!

Washington State Community Airports Association (WSCAA) in partnership with the Washington State Department of Transportation Aviation Division invite airport sponsors and the general aviation public to attend the WSCAA Conference at the Icicle Inn in Leavenworth from Oct. 24-25, with an optional social on Oct. 23 at 5:30 p.m.

Some of the major topics discussed during the conference will include:

- Aviation Safety Update with FAA Safety Team Program Manager Robert Ticknor
  - aviation accident trends and how pilots can help prevent future accidents
- Agriculture drone data services with Michael Moore
  - detecting plants in distress due to insects, disease, and more using drones and multi-spectrum cameras
- Pilot panel: “How to build a strong pilot community at my airport” with WPA, RAF and the EAA Kelso Chapter
- “Aviation Disaster Response – A Real World Story” with Bill Quistorf and Ron Mondragon
  - experiences and lessons learned in the Oso Landslide

To ensure room availability, book before the room cut-off date of September 23. On behalf of WSCAA and WSDOT Aviation, we look forward to your attendance!

### Schedule

- Oct. 23, 5:30 - 6:30 p.m. optional social
- Oct. 24, 8 a.m. - 5 p.m. conference
- Oct. 25, 8 a.m. - 11:30 a.m. round-robin airports discussion
